CLASS DESCRIPTIONS:

Core And More: This advanced class focuses on strengthening your core and increasing flexibility. The Monday class will have an emphasis on lower body strength, while Wednesday will have an emphasis on upper body strength. Floor work is included (mats provided). Participants must be able to get up off the floor with no assistance.

Functional Strength: This class is designed to build a foundation of functional strength throughout the body. Using dumbbells and various body weight exercises, participants will perform strengthening movements that build key muscle groups that help us keep our balance and perform Activities of Daily Living with ease.

Chair Yoga: Yoga is an ancient practice combining movement with breath. The benefits are many including strength, flexibility, mental clarity and emotional calmness. Seated and standing poses will be offered.

MAT Yoga: This is an advanced Yoga practice offered strictly standing and on the mat. Participants will be required to be able to move up and down from the floor on their own. Benefits include increased strength, flexibility, mental clarity and emotional calmness.

Beautiful Bones: This seated class is specifically designed for participants to improve their strength and range of motion. The exercises are selected with osteoporosis in mind and target muscles in the hip, spine and lower body.

Cardio & Stretch: A heart pumping cardio class with 25-30 minutes of cardio and 15 minutes of core work and stretching.

Aqua Circuit: This class will focus on three components of fitness: cardiovascular endurance, muscular conditioning and balance wrapped into a circuit style format.

Aqua Trifecta: This class will combine three main areas of fitness; Strength (weights), Balance, and Cardio, into a fun and inviting workout utilizing nautical fitness equipment.

Gentle Joints: A warm water class for people who want a gentler approach to exercise. Perfect for people with arthritis. Flexibility, muscle and cardio endurance and balance will be key components of this class.

Three Times The Fun: This class will incorporate strength & cardio (first 45 minutes) and we will finish up with relaxing chair yoga (15 minutes) which will include work on range of motion and stretching.

Cardio Circuit: This moderate to high intensity class will begin with a 30-35 minute cardio segment with muscular strength & endurance segments, followed by balance and flexibility. Come join the fun!

Strong & Steady: A balance challenge class utilizing a variety of equipment and body weight exercises to improve balance & strength.

Independent Water Walking & Exercise: This time is for independent water walking and pool exercise . There will be no instructor present. Exercise handouts are available. There will be NO LAP SWIMMING during this time.
