

**Nursing Opportunities – RN and CNA**  
**Full-time RN and CNA Openings for our Brand-New Rehabilitation Suite**

**Seabury, Bloomfield, CT**

---

Seabury is proud to announce the expansion of our rehabilitation services. We are currently accepting applications from **Registered Nurses** and **Certified Nursing Assistants** for full-time opportunities in our short-term rehabilitation suite.

This brand-new addition will feature 12 private rooms with state-of-the art equipment. Our staff will be providing innovative and person-centered care to help individuals return to an active lifestyle, reduce pain and promote movement. As a member of our nursing staff, you will have a direct impact on helping each person meet their rehabilitation goals.

Seabury nurses are passionate about providing exemplary care and exceeding customer service expectations. They remain patient, tactful, cheerful and enthusiastic at all times and they believe that working as a team is the best way to care for their patients.

The ideal candidates will have a minimum of one year prior experience in one or more of the following areas: rehabilitation, medical surgery, ICU or subacute care.

**Registered Nurses (RN):** Specific responsibilities of our RN staff include:

- Meeting the nursing and rehabilitation needs of each resident.
- Adhering to current resident care plans on all residents under your care.
- Performing daily assessments for each resident to evaluate their needs.
- Assuming primary responsibility for complete nursing care, treatments, dressings and adhering to physician orders.
- Transcribing physician's orders promptly and accurately.
- Reviewing patient records daily to assure accuracy and completeness.
- Documenting comprehensive and complete nursing notes.
- Leading the Certified Nursing Assistant team by providing guidance and supervision as needed.
- Attending and participating in continuing educational programs.
- Seeking out and applying new nursing methods and principles.

**Certified Nursing Assistant (CNA):** Specific responsibilities of our CNA's include:

- Providing assistance with activities of daily living such as bathing, dressing, feeding, transferring, ambulation, and positioning.
- Performing routine medical measures such as taking temperature, respiration, pulse and blood pressure.
- Following standard and universal precautions and infection control principles.

- Reading and following nursing care plans and report any change in resident's health condition to the charge nurse in a timely manner.
- Documenting patient care and health changes electronically in electronic medical records system.
- Responding in a timely manner to all call lights and working as a team to provide intervention within the scope of practice.
- Demonstrating commitment to patient-centered care and culture change initiatives.
- Abiding by residents' rights and upholding the Seabury Customer Service Standards at all times.
