The Seabury community gathered on January 11th for an afternoon of celebration, recognition and fellowship with the Seabury

Charitable Foundation in the Bishops' Chapel.

The event, "Our History: Legacies of the Glass," provided an opportunity to gather as a community to celebrate the good works of the Foundation and to honor the many generous people who helped the Foundation fulfill its mission since its inception in 1996.

The event started with an afternoon concert featuring the pop trio Mass-Conn-Fusion, offering musical interludes as we highlighted a few of the stories behind

The Giving Glass Unveiled: Celebrating Seabury Legacies

the names of Foundation legacy donors.

The audience was invited to adjourn to the Terrace Room for the main event—the official unveiling of the newly installed donor recognition display, *The Giving Glass*.

The lighted display is the anchor of the Terrace Room, and features beautifully etched glass plaques with donor names.

The display features a special section for our Legacy Society members. These are individuals who have included the Foundation among their charitable bequests in their will, or have one or more charitable gift annuities.

We will, from time to time, be sharing the stories behind the names on the display—so their legacies

continue to live on in the heart of the Seabury community. 

New Mission, New Vision, New Website! www.seaburylife.org

It's the Foundation of Everything We Do

Mission:

To promote charitable giving to support Seabury, its residents and the communities we serve.

Vision:

To revolutionize the experience of aging through charitable giving.

Since 1996, when the Seabury Charitable Foundation was established, it has been the heartbeat at the core of the Seabury mission – Seabury Enhances Lives. Seabury feels a strong moral commitment to those who have entrusted us with their care and to the communities in which we live and serve.

Seabury enhances lives through seven dimensions of wellness — spiritual, emotional, vocation, social, intellectual and environmental. The Foundation is a resource for supporting and advancing this commitment. A major function of the Foundation is to provide assistance to Seabury residents facing financial difficulty through no fault of their own. The Foundation also considers appropriate opportunities that enhance lives within the communities Seabury serves.

DOWNLOAD GIFT DONATION FORM

As we all transition through the winter of 2019, so too the Seabury Charitable Foundation is transitioning into a new communications model. While our mission isn't changing, how we interact with you is. We'll continue to print the Newsletter and pop notices in your mail boxes. There'll still be a note in the monthly Independent Resident Newsletter. And, of course, the Village Store will keep you in greeting cards and chocolate.

That said, moving forward we intend to rely more on connecting with you online through the Seabury website and by taking advantage of postings on Connected Living and Seabury's in-house TV stations..

You've already noticed that you can charge purchases at the Store. Now, you can even make secure donations to SCF on the Seabury website. Plus, our newsletters will all be archived there. Lastly, we hope that you will communicate with us through the website. Please tell us what's on your mind.

Puck.
