*From the Chair:
Greetings and
Welcome,*

.....to the Seabury Charitable Foundation newsletter! It's been too long since there was regular and consistent communication with residents and others about the Foundation. Some people do not even know we exist while others wonder where we've gone.

The Seabury Charitable Foundation is alive and well!

After several years of improvements and building at Seabury, SCF is back and now focused on its Vision—*To revolutionize the experience of aging*—and Mission—*To promote charitable giving to support Seabury, its residents and the community at large.*

Over the years, SCF has received gifts in many forms—bequests, annuities, lead trusts, IRA's, etc.—from caring residents and family members. We are forever grateful for their thoughtful generosity.

Although the Foundation's unrestricted fund is currently \$3,644,317 (as of 6/30/18), we are challenged to grow the principal in order to fully serve residents who, through no fault of their own, have had their financial circumstances severely compromised. The Seabury Charitable Foundation also entertains requests for the betterment of the community at large.

SCF is a 501(c)3 charitable organization overseen by a Board of Directors, four of whom are Seabury residents. Shortly, there will be a new brochure giving details about the Seabury Charitable Foundation and how you might be involved. We hope it will be useful but please also feel free to contact me or any other Board members to learn more about SCF.

All the best,

Puck.

The Rev'd Erl G. (Puck) Purnell

July/August 2018

Resident
Board
Members*

Jim Trail

“How could you not be passionate about an endowment fund that is designed to help your family and friends?”

“I hope that every resident and their families have awareness of Seabury Charitable Foundation and are supportive. Giving to SCF should be the first thought of someone who would like to support a good cause.”

DID YOU KNOW: The beautiful carillon music you now hear is a result of the generosity of Jim Trail and Nancy Kline? Thank you both!

Marian Moore

“I am pleased to serve on the board because I believe in the mission of Seabury Charitable Foundation. Seabury may be unique in the field of retirement communities with the capacity to care for residents in the event that their financial resources may have been depleted through no fault of their own. This is possible through the efforts of Seabury Charitable Foundation.”

“My vision for the future of Seabury Charitable Foundation is to raise enough funds for it to secure an endowment to comfortably continue its primary mission. Secondly, but, not exclusively, I would like to secure enough funds for SCF to continue its mission to enhance the aging experience here at Seabury including amenities for residents and staff. Lastly, we should be looking at funding projects that enhance our relationship with the greater Bloomfield community.”

Ann Winship

“The most important part of Seabury Charitable Foundation to me is the relationships with the residents and making sure they are aware of SCF, its mission, functions and ways to contribute.”

“I am excited to carry out the new strategic plan and look forward to a strong partnership between the SCF board, CHHI board and administration.”

DID YOU KNOW: Ann was instrumental in the formation of Seabury Charitable Foundation having served as the first staff liaison. She successfully directed the Foundation’s Inaugural \$3 million capital campaign!

Ken Brock

“I believe planned giving educational seminars serve great importance to the future of Seabury Charitable Foundation. It is important that the community knows how to give and all of the different giving options. In the near future, I would like all the Seabury boards to come together and create opportunities for different endowment opportunities.”

DID YOU KNOW: It is Ken’s tireless commitment that organizes donations to the Horace Bushnell Children’s Food pantry? He is also the driving force behind the Foundation’s Legacy Society and is passionate about providing educational scholarships to staff for continuing education.

Since its inception in 1996, Seabury Charitable Foundation has distributed \$3,290,767 in benevolent support to residents who have exhausted their financial resources through no fault of their own.

Foundation Facts

In 2017, Seabury Charitable Foundation received its largest single gift—a \$1 million dollar bequest from the Charles and Ethel Larus Trust. Seabury’s new short-term rehab unit was named The Larus Center in recognition of their generosity.
