### Clarification On Your Membership Credit To Seabury

Like with any change, especially when it comes to contracts, it's always important to understand your rights, as well as any new terms and conditions.

As you may recall, last February, the Seabury and SAH Contracts reflected a modification to its fee schedules. On campus, the Plan 2% declining refund plan was replaced with Plan 0%, which eliminated the 50-month amortization refund schedule. Plan 67% remained the same, and the Plan 85% plan was slightly modified to a Plan 80% structure.

For SAH, the Platinum Plan went from a 90% refund (90% credit to Seabury) to an 80% refund (80% credit to Seabury). Please note, that if you are under contract in Platinum with a 90% refund/credit, that DOES NOT CHANGE. At any point in time, you or your estate shall receive a 90% refund or, you may credit 90% against the entrance fee when you move into an apartment or cottage at Seabury.

The Gold, Gold Plus, Silver, Sterling, Copper, TitaniumCARE and Titanium plans all used to be a 2% declining refund model. As of last February, this changed to a 0% refund, similar to the 0% refund as noted above, for the campus fee schedule. However, some of you are still within that 2% amortizing window. This again, DOES NOT CHANGE. The new, 0% structure only relates to new Members who joined after this change was made.

What's more, whether you are in a 2% or 0% structure (such as in Gold or Gold Plus), and you wish to move to Seabury, your ENTIRE Membership Fee is applicable as a credit to Seabury, at any time, in Plan 0% at Seabury. Please contact your Marketing Counselor with questions.

### SAH MEMBER REFLECTS ON RECENT IT SUPPORT AT SEABURY

“My laptop was showing signs of unhealthy aging, finally crashed and my resuscitative measures failed. Marc Zirolli quickly put me in touch with Seabury’s IT Team and within hours I was on campus with my “black screen” laptop in hand. Words can’t express my appreciation. Ron Hoos quickly diagnosed the problem, ran a number of troubleshooting tests and I’m now writing this note on a healthy (aging) HP computer! He also offered several proactive recommendations for my current (and perhaps future) computer and (at home) network needs. I’d highly encourage SAH Members to call upon Seabury’s IT team for their laptop troubleshooting needs. Professional expertise, caring demeanor and exceptionally reasonable rates has me recommending their services with rave reviews!”

For rates and to make an appointment, please call the Seabury IT/MIS number at 860-243-6108 where you will reach Renaud or Ron.
