### **PRESIDENT'S POST — By: The Rev. Stanley C. Kemmerer**

AT LAST!!! Many thanks to all of you who voted in our recent Executive Committee election and on the proposed revision of the Bylaws. And, to those who stepped forward to serve on our first Seabury At Home committee, Plans & Programs.

Filling all the Executive Committee slots and achieving Bylaws that were easy to use to accomplish Committee ends were real “time bandit” endeavors. With them behind us we are free to devote attention to assessing the level of “community” that Seabury At Home Members want and how best to achieve it.

A personal agenda I have had for some time is doing what I can to get to know Seabury At Home Members better as individuals: hopes, dreams, stories. It appears to me we have lived, and are living, very rich lives. I want to be what part I can be in our “hooking each other up,” making each other aware of resources from which we might benefit. So, if I reach out to you, I hope you’ll be willing to talk with me. Here’s a “Best wishes to one and all” for the coming Seabury At Home year!

### **ELECTION RESULTS FROM ANNUAL MEETING AND SURVEY**

A survey was recently distributed to the Membership to vote on the nominations. The following Officers were elected to two-year terms, expiring on Sept. 30, 2022: Stan Kemmerer, President; Baker Salsbury, Vice President and Meg Lines, Recording Secretary. The following were elected as At-large Liaisons for three-year terms, expiring on Sept. 30, 2023: Debra Pasquale for the Seabury At Home, Inc. Board Liaison and Susan Sappington for the Seabury Charitable Foundation Board Liaison.

### **NEW PHC ANNOUNCED!**

Seabury At Home is pleased to announce that a new Personal Health Coordinator (PHC) has been hired to replace Lisa Galipo, who retired on Oct. 1. The new PHC is scheduled to begin in early November. A formal announcement will follow either in the December newsletter, or in a separate notice!

As Seabury continues to slowly open up activities on campus, please stay up-to-date with the COVID-19 Team's weekly bulletins that are distributed to you.
