JEANNINE HENNEBERGER JOINS SAH AS ITS NEW PHC

Jeannine Henneberger joined the SAH team in November as its new Personal Health Coordinator, replacing recently retired Lisa Galipo. While some of you may have already met her, especially some of our newest Members, here is a bit more about Jeannine!

Jeannine Henneberger

I graduated from Eastern Connecticut State University with a Bachelor of Arts in Applied Social Relations with a concentration in Gerontology. My Passion has always been working with Elders. I have over 25 years working with Seniors both in long-term care and community-based services.

My recent position was working for a local housing authority as a social worker. My responsibilities were to ensure residents were getting appropriate services to live independently in the community. I also assisted the residents with private and state insurances. I currently live in Enfield with my husband, son and two cats. I Love spending time with family and friends, and my hobbies include running, swimming and reading.
